NEVER HAVE YOU READ A TALE...NEVER HAVE YOU SEEN A CREATURE REMOTELY LIKE...
"THE INFANT TERRIBLE!"
A BOOK-LENGTH CLASSIC OF THE INCREDIBLE!
SURPRISE FOLLOWS SPECTACULAR SURPRISE IN THE MARVELOUS MARVEL MANNER!

NOW YOU CAN SOLVE "TOUGH" MATH PROBLEMS LIKE THIS!

47892 x 39421 = ?

AS EASY AS 1 + 1 = 2

GET A BETTER JOB, WITH HIGHER PAY, SECURITY IN THIS ATOMIC AGE!

This man is multiplying numbers that should ordinarily produce the answer in about 4 minutes. The answer appears on his blackboard in less than 15 seconds flat! Yet he knows little about math! As a matter of fact he failed arithmetic in school. Read on to discover the fantastic new method that even a child can learn easily in just a few short hours — at home . . .

Yes, in just hours you can turn into a "math wizard" even though you know little about arithmetic! Surprise your friends with your "E-Z MATH" ability . . . enjoy job security and advancement . . . a better job . . . Increase your self-confidence and prestige—all through amazing new "E-Z MATH".

The world is moving *fast* these days. In good times and bad the ability to handle mathematical problems in our age of electronics, automation and nuclear science is becoming more and more necessary for promotion on the job and for higher pay. If you don't think you have what it takes—and if you believe that "math" is beyond your power—then you're in for the biggest surprise of your life!

For now you CAN learn to DIVIDE, MULTIPLY, ADD and SUBTRACT figures not only *quickly* and *easily*—but also in a FRACTION of the time the average person requires! You can actually solve such tough problems as multiplying a 5-figure number by a 7-figure number in your head without ever touching pencil to paper . . . or dividing 836791 by 284, for example, in exactly 15 seconds—even if you "flunked" math in school!

The secret of success in "math" is NOT laborious study and wearisome practice—but, on the contrary, knowledge of SPECIAL SHORT CUTS, LITTLE-KNOWN METHODS of calculation and arithmetical "tricks" that take the work and gamble out of figuring. These methods—so new and radical that they have not yet been incorporated in our school systems—take but a few hours to learn. Yet they permit you to OUT-THINK and OUT-FIGURE the average high school and college graduate who hasn't had the benefit of these amazing methods! You can even BEAT AN ELECTRIC CALCULATOR in answering many problems!

Figure with SPEED and ACCURACY!

"E-Z MATH" shows you in 'plain, easy-to-understand language how to cut figuring time in HALF and even in QUARTERS—and at the same time arrive at the *correct* answer in every case! The methods and short cuts you learn in "E-Z MATH" are *fool-proof* . . . require almost NO memorization . . . and are so *practical* that you'll find yourself using these systems virtually every day. You'll become an expert in no time at all. Before you know it—you're ready to move into that important job you've always wanted . . . to drive ahead and in greater responsibility at higher pay . . . and to amaze, surprise and delight your friends with your new magic powers of mental arithmetic! Yes, "math" will open up new opportunities for you, since the person with "math" know-how can just about "write his own ticket."

Sharpen Your Brain Power—with Short-Cut "E-Z MATH"!

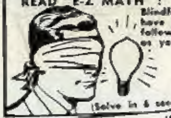
Imagine being asked to divide 38634 by 89½—and rattling off the answer absolutely correctly in 7 seconds! Or—multiplying 369.34 by 982.7 and coming up with the correct result in 11 seconds! Or adding 29 numbers each with 6 digits—and supplying the right total every time! People will GASP at your fabulous lightning-quick mind. You'll be able to JUGGLE numbers . . . do STUNNING TRICKS . . . amaze your friends and boss—and be a "master mind!"

With a knowledge of "E-Z MATH" you no longer need be puzzled by such every-day figuring as computing interest charges on installment purchases . . . division, multiplication and addition of fractions . . . adding long rows of numbers with 100% accuracy . . . adding and subtracting fractions from whole numbers—plus many, many other practical and valuable pointers you will use daily to your advantage. The few hours you spend with this course will really pay off. Numbers are the basic instrument of all scientific and technical work. The man or woman who can use "math" is rewarded, recognized quickly, moves *ahead* in his job faster and more surely!

Order Today on No-Risk Free Home Trial!

Send for "E-Z MATH" today on our no-risk money-back guarantee: use the book for 30 days . . . prove to your own satisfaction how far a knowledge of "E-Z MATH" can advance you in business and social life. If you don't agree that this is the *best investment* you've ever made . . . if your family and friends aren't AMAZED by your new ability—return the book for full and prompt refund.

CAN YOU SOLVE THESE EVERY-DAY BUSINESS AND SOCIAL ARITHMETIC PROBLEMS IN THE TIME ALLOWED? YOU CAN DO THEM EASILY EVEN WHEN BLINDFOLDED—AFTER YOU'VE READ "E-Z MATH"!



Blindfold yourself and have someone call the following numbers to you as you add them:

739
463
906
785
642
(Solve in 6 seconds) ?

9864372 / 8146 = ? (Solve in 9 seconds)

4/7 x 9/4 = ? (Solve in 4 seconds)

1¾ % interest per month amounts to what percentage yearly? (Solve in 4 seconds)

367 X 75 = ? (Solve in 3 seconds)

WHAT IS "E-Z MATH"?

"E-Z MATH" is based on an amazing new method of working with numbers—easier to learn and remarkably faster and more accurate than you ever dreamed possible when you took math in school. You'll be shown the newest way of *reading* numbers—just as though they were *words*—and of adding and subtracting them almost at a glance—INSTANTLY! You'll be shown a unique new technique for adding hundreds and even thousands of numbers without ever making a mistake . . . yet you'll never add higher than eleven! Yes, from now on you'll whiz through all figuring problems without wasting your valuable time—through income tax, checking grocery lists, homework—as fast as a calculator. You'll never again dislike or avoid numbers—you'll actually ENJOY using them to get ahead in business!

WHAT THEY SAY:

"My 10-year old had nearly always failed arithmetic with old-method arithmetic. Then he found my copy of 'E-Z MATH'. Now in less time than you can put the numbers on a blackboard, he can multiply 8391726547 by 12. It's amazing and incredibly easy. I use it myself on my job and my wife uses it to check grocery lists."
A Father

"You have a unique new teaching approach for which I compliment you. It's the best I have ever seen. Pupils' marks seem to be climbing as a result. Should help in any job. Excellent for home tutoring use."
—SCHOOL PRINCIPAL

"Thank you! Thank you! Thank you! All our children are using your system too, and it is terrific. My husband and I are using it—and it works! My husband has already received a job advancement with tremendous boost in pay. Best investment we have ever made!"
HOUSEWIFE

"My employer, Joe Malone, asked for a better job. I recommended he read 'E-Z MATH'. Now that he can do 'tough' problems easily, I've promoted him to head of his department with a $35. weekly increase in pay. I now suggest all employees read 'E-Z MATH' if they want to get ahead in their jobs."
Business Executive

An Amazing Invention—"Magic Art Reproducer"

DRAW THE FIRST DAY

NO LESSONS! NO TALENT!

Even if You CAN'T DRAW A STRAIGHT LINE

You Can Draw Your Family, Friends, Anything From REAL LIFE— Like An Artist...

Even if You CAN'T DRAW A Straight Line!

Anyone can Draw With This Amazing New Invention— Instantly!

De Luxe Model Complete for only

—With extra high power, extra clear and sharp "reproducer" unit.

$1.98

A New Hobby Gives You A Brand New Interest!

Yes, anyone from 5 to 80 can draw or sketch or paint anything now... the very first time you use the "Magic Art Reproducer" like a professional artist—no matter how "hopeless" you think you are! An unlimited variety and amount of drawings can be made. Art is admired and respected by everyone. Most hobbies are expensive, but drawing costs very little, just some inexpensive paper, pencils, crayons, or paint. No costly upkeep, nothing to wear out, no parts to replace. It automatically reproduces anything you want to draw on any sheet of paper. Then easily and quickly follow the lines of the "picture image" with your pencil ... and you have an accurate original drawing that anyone would think an artist had done. No guesswork, no judging sizes and shapes! Reproduces black and white and actual colors for paintings.

Also makes drawing larger or smaller as you wish.

Anyone can use it on any desk, table, board, etc.—indoors or outdoors! Light and compact to be taken wherever you wish. No other lessons or practice or talent needed! You'll be proud to frame your original drawings for a more distinctive touch to your home. Give them to friends as gifts that are "different," appreciated.

Have fun! Be popular! Everyone will ask you to draw them. You'll be in demand! After a short time, you may find you can draw well without the "Magic Art Reproducer" because you have developed a "knack" and feeling artists have—which may lead to a good paying art career.

FREE!

"How to Easily Draw Artists' Models"

This valuable illustrated guide is yours free with order of "Magic Art Reproducer." Packed with pictures showing all the basic poses of artists' models with simple instruction for beginners of art. Includes guidance on anatomy, techniques and figure action.

Are you proud of your paycheck?

You could be . . . If you mastered Auto Mechanics, a well-paid trade

You have been thinking of improving yourself. You would like to get a technical education, so that you can qualify for a better job and greater security. Why not consider the automotive field, one of America's greatest? Over 7 million cars and trucks are sold each year. These, added to the 57 million vehicles already in use, provide a rich source of rewarding jobs for trained mechanics. The pay is well above average, work is steady and opportunities exist in almost any community.

30 Job Experience Projects Included

CTI lessons are written in simple English and fully illustrated. Thousands have learned auto mechanics through lessons alone. To make it still easier to apply "lesson learning" to actual auto repairing, and to build your confidence, CTI provides each student with 30 Job Experience Projects. This practical instruction will encourage you to begin repairing cars as you train, and earn money in spare time. It will help you get experience.

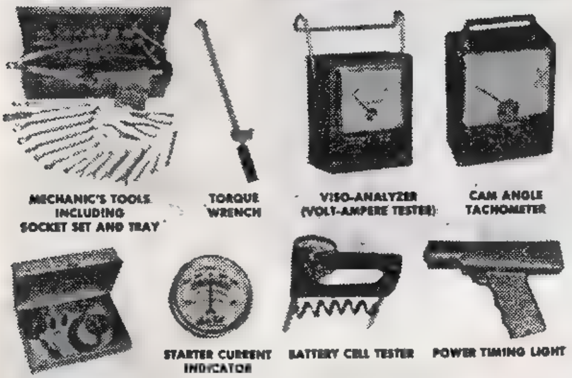
Student letters prove training works

"Have started my own tune-up and brake shop."—G. Gunz, Cal. "Am proud I finished course. Have two job offers."—Barden Vance, Ind. "Am working as a mechanic and earn twice what I used to. Made $25 a week as I trained."—Jerome Slowik, Ill. "Am now a senior auto mechanic. Made $800 during training."—Ronald Wharton, Ind.

Train at home for a better job or your own business

You don't need a formal education or previous experience to master auto mechanics. You can learn at home by devoting a few hours each evening and week-end to training. CTI, one of America's foremost auto training schools, will send lessons that are easy to read and understand. You'll receive tools and instruments, as well as shop projects, to help you gain experience as you learn. You keep your present job and switch to your new occupation when you are ready.

15 KITS OF TOOLS AND TESTING INSTRUMENTS



MECHANIC'S TOOLS INCLUDING SOCKET SET AND TRAY — TORQUE WRENCH — VISO-ANALYZER (VOLT-AMPERE TESTER) — CAM ANGLE TACHOMETER — VACUUM GAUGE AND FUEL PUMP TESTER; COMPRESSION TESTER — STARTER CURRENT INDICATOR — BATTERY CELL TESTER — POWER TIMING LIGHT

Testing instruments help locate engine and electrical system troubles quickly, save time and effort. You also get a set of mechanic's tools. Only CTI sends this much equipment.

Many earn cash in spare time

Many CTI students begin repair work before they graduate—some after a few lessons. They report that they save money fixing their own cars. Many do repair and service work for friends. With their profits they pay tuition, sometimes earn enough to build and outfit a repair shop. Full-time businesses often develop this way.

Diesel Mechanics or Body-Fender Repair

As part of your training, CTI also sends instruction on either Diesel Mechanics or Body & Fender Rebuilding. These lessons may add considerably to your earning potential. No extra charge. Only CTI gives you a choice.

Clip coupon before turning page — Be sure to fill out and mail today

Clip out, fill out and mail the handy coupon, or write on a postcard. CTI will mail complete information on opportunities for skilled mechanics, and descriptions of lessons, job experience projects, tools and instruments. These booklets are free. By reading the facts, you can judge for yourself whether you'd like to get into the well-paid secure automotive field. Act today!

Commercial Trades Institute • Chicago 26, Ill.

Address YOUR letters to:
LEE and KIRBY
FANTASTIC FOUR
THIRD FLOOR
655 MADISON AVE.
NEW YORK 21, N. Y.

FANTASTIC FAN PAGE 4

Dear Stan and Jack,
Just wanna tell you that out here at the naval base on Guam we really dig the FF mag! We post lookouts at the PX each day because it sells so fast! Keep writing those great stories and we'll keep buying!

Bob Halcums
Naval Forces, Marianas
#2 Portola Avenue
Guam, M. I.

Thanks, Bob! But while you're all at the PX, who's minding the navy?

Dear Stan and Jack,
In my estimation you've struck gold dust with your latest, greatest (oops, I mean second greatest) super-hero team, THE X-MEN. The concept is fabulous. Angel, Beast, Cyclops, Ice Man and Marvel Girl all have the two P's which are essential to every super-hero — potential and personality! I'd say that the Kirby art is at its peak this year. And Stan, the writing talent that has made the names 'Stan and Jack' a household word was shown here abundantly.

Edward Simpson III
261 Wildbriar Road
Rochester, N. Y.

Thanks, Eddie. And in the words of jolly Jackie Kirby, "Hey Ma, looka me! I'm a household word!"

Dear Stan and Jack,
I have just read the latest issue of STRANGE TALES which features the Human Torch. I am an avid reader of all your fine magazines, even though I'm 32 years old. I really enjoyed this latest issue of STRANGE TALES mainly because it brought back one of the greatest comic book heroes of yesterday. I used to read his comics about 20 years ago, in the '40's. Captain America was one of my idols. I sure was glad to see him back on a magazine cover. I say "yes" — bring him back!

Jesús A. Martinez
211 S. Copia St.
El Paso, Texas

You and a sillion others, Tex! Dont miss THE AVENGERS #4 — you'll find the REAL Captain America more exciting than ever!

Dear Stan and Jack,
I'm another "Ma" who reads F.F., SPIDER-MAN, STRANGE TALES, etc. second-hand. And don't tell me to buy my own copies — 'cause where do you think the money for the first copies came from? I haven't spent much time reading comics for many a year, but I really got back in the groove when I read my first F.F. mag. You seem to enjoy your fan letters and I enjoy reading them too — even if I don't agree with every opinion. I'm 28! - pretty old for this kind of thing but I don't care. I enjoy so many of your MARVEL mags. Keep up the good teamwork!

Mrs. Dixie Kitchen
8905 Oro Way
Orangevale, Calif.

We can picture you now, "Ma", with a copy of Dr. Spock in one hand, and SPIDER-MAN in the other! A very touching tableau, bless ya!

Dear Stan and Jack,
First of all I would like to welcome George Bell to your superb staff of geniuses. His terrific job of inking really stood out and may have surpassed the former works of Dick Ayers. The Hate Monger was one of the greatest villains I have ever seen, and the idea of having Sgt. Fury team up with the FF was even greater. The scenes on pages 15-16 showing the amazing powers of Mr. Fantastic kept me glued in my seat. They proved that he rightfully deserves to be the FF's leader. Some of the things that made FF #21 truly a "Book-length bombshell" were 1) the Hate Monger's sub-surface missile, 2) The FF fighting among themselves, 3) Pitting the forces of democracy against tyranny, and 4) Hate Monger's alter-ego.

John Furek
1436 First Avenue
Berwick, Pa.

Geo. Bell thanks you, Johnny! We don't know what Dick Ayers says — he's not talking to us!

Dear Stan and Jack,
While searching through a pile of comics cluttering up our bunk floor, we came across your first edition of the X-MEN. Even though we are sixteen and past the comic book stage, we found the X-MEN a unique and thrilling new series. If all your issues are as exciting as the previous ones, we can guarantee that our whole camp will be rooting for you!

Bunk 3-H
Blue Mountain Camp
Stroudsburg, Pa.

Okay, gang, but when you're sixteen you're not past the comic book stage! The way MARVEL slants 'em, you're just getting old enough to APPRECIATE us!

Dear Stan and Jack,
In future years you may be known as "The Men (with the guts) of Steel." That's what it takes to present such a story as you did in FF #21. You really took chances . . . I shudder to think what it would have been like if it had bombed. Fortunately, it wasn't a bomb, and everything turned out great! You are to be saluted. Haven't seen SGT. FURY #4 yet, so will comment later. But, I always considered it a brilliant satire, until a lunkhead told me it was supposed to be serious. O.K., one nut I can take! Now my brother tells me it's supposed to be serious! Stan, please! Tell me it's a parody before I go out of my mind!

Paul Gambaccini
8 Elizabeth Drive
Westport, Conn.

A parody of WHAT, Paul? War itself is insane — senseless. How do you parody something which is like a mad nightmare to begin with? And by the way, speaking of guts, wait till you see the theme we chose for SGT. FURY #6, on sale Jan. 3rd . . . We predict it'll be one of the most controversial mags of the year!

Dear Stan and Jack,
Just got through reading issue #19 and it was terrific! Now before I could blink an eyelash you come up with the Molecule Man in issue #20. Now as far as I'm concerned, you've got something to brag about. But, why does the Torch shout: "Flame on!" when he flames on? Can't he just turn on his flame quietly?

Vincent Garofalo
7415 Wish Ave.
Van Nuys, Calif.

Sure he can, Vinny, but it's more DRAMATIC when he shouts "Flame On!" It's like a rebel yell, or like a paratrooper shouting "Geronimo" when he bails out!

Dear Stan and Jack,
I used to always look forward to your STRANGE TALES mag. I especially liked those short stories you had in the back of the book — but since you came up with this crackpot Dr. Strange — yechhhh!! How do you expect your readers to swallow that mess about his entering a guy's dream and flying around through a mess of smoke, or fighting in thin air with a nut named Baron Mordo?

Johnny Ryan
205 N. Main St.
Federalsburg, Md.

CONTINUED

TM & © 2005 MARVEL

But a teen-ager bursting into flame and tossing fire-balls — THAT you can go along with, huh Johnny boy?

Dear Stan and Jack,

I have just read STRANGE TALES #114 containing "The Return of Captain America". Now let me say I thoroughly enjoyed the story as I have long been after the Captain's return. But alas, the true light has dawned on me. I'm afraid it was nostalgia that prompted my support of the Captain. The story proved he is outdated and lacks the color he formerly had. The Captain was a classic of the pioneer days, a legend. Let him remain so. He had his day. I don't think he fits today after all. You have left it in the hands of the fans, so the decision is theirs, and time will tell. Keep up your outstanding efforts and enlightened ideas. You're all doing a great job.

Ed Lahmann
(a comic fan for 25 years)
2061 E. LeGrande
Indianapolis, Ind.

Ed, you're a rugged individualist! You're one of the ONLY fans who nixed Cap's return! But we think you're gonna change your mind when you see him in THE AVENGERS #4! Let us know, huh?

Dear Stan and Jack,

First of all I would like to make comments on your MARVEL COMICS. Your new creations have made your company my present-day favorite as well as your old characters have made your old Timely-Marvel company my "Golden Age" favorite. The stories — great, the artwork — great, the characters — great, and a very important thing — your response to fandom — even greater! You add so many little things to your comics, such as the witty remarks to letters you receive, the special announcements section, the various unique sub-plots to your stories, and I could go on and on . . . . . . !

Larry D. Sipe
809 Adrian St.
Mount Holly, N. C.

So who's STOPPIN' you, Larry?

Dear Stan and Jack,

I can honestly say that the MARVEL Comics are the only ones I read for enjoyment rather than merely collecting. It may interest you to know that one newsstand in Hollywood, California sold their entire stock of FF ANNUALS in one day! Still only one complaint about your mags — put the Letters Page someplace else. I read it first and am always tempted to look over at the end of the story. I am sure other readers agree with me.

Don Glut
3754 No. Magnolia Ave.
Chicago, Ill.

No, Don — most readers think it interrupts the story when in the middle of the mag. Besides, if THAT'S your only complaint, we're doing fine!

Dear Stan and Jack,

I consider myself the world's greatest authority on comic books for my age. Although only 21, I own over 5,000 mags. There is no doubt about it — MARVEL COMICS have become the best on the market! Your characters are more colorful, more realistic than any others. But, did you ever stop to think what a gossip column on your mags might look like? — "I SECRETLY ADORE SPIDER-MAN" by J. Jonah Jameson . . . "I WAS PAID TO THROW THE FIGHT TO SGT. FURY" by A. Hitler . . . "DOES HE OR DOESN'T HE?" Only Thor's hairdresser knows for sure! . . . "I WAS A 97-LB. WEAKLING" by The Thing . . . DID AUNT MAY HAVE A FACE LIFT? . . . IS MILLIE THE MODEL DATING THE HULK? . . . "MY COSTUME ITCHES" by Iron Man . . . "I'M TIRED OF STANDING AROUND AND DOING NOTHING" by The Watcher . . . DOES GIANT-MAN STILL USE THAT GREASY KID STUFF?

John F. Lebar
305 N. Jordan St.
Allentown, Pa.

Tsk tsk! A fine thing, ruining the Marvel "image" by treating our characters so frivolously! But, y'know something, John? Those items are pretty clever!

SPECIAL ANNOUNCEMENTS SECTION:

Well, the results are in! The vote is overwhelmingly in favor of bringing Captain America out of super-hero limbo into the Marvel Age of Comics! Our biggest problem was HOW to bring him back to life — and where to PUT him! We think we solved it rather neatly! See if you don't agree! Cap's premiere appearance is in THE AVENGERS #4, on sale about Jan. 3! If you miss it, it's your own fault!

- **We've said it before, and we've got to say it again — we think you Marvel fans are the greatest! You know, we get HUNDREDS of letters every week — and almost every one of them deserves to be printed on these pages! It's becoming a heart-breaking job to select a handful out of so many excellent, well-written letters. So, we want to again thank ALL of you who take the trouble to write . . . and we want to reaffirm our steadfast policy — we DO read each and every letter, and we thank you for your loyal interest from the bottom of our hearts!**
- **By the way, many readers say they don't like referring to our mags as "Comic" mags. We understand their feeling, but we must disagree! It is our intention, here at Marvel, to produce comics which are so well-written and well-drawn, that they'll elevate the entire field in the minds of the public! After all, comic magazines are an art form, as creative and enjoyable as any other! It is up to US, the producers, and YOU, the fans, to make comics something to be proud of. And, in that regard, we want to praise the fine work done by so many of the fanzines and the fan clubs. More about that in future issues.**
- **We're running out of space, so let's get right to our news of mags now on sale . . . SPIDER-MAN #10 has Marvel's most popular single super-hero fighting FIVE foes at once! It's Stan and Steve at their usual best — what more can we say?**
- **X-MEN #3 is probably sold out by now, but if you haven't bought it, and can still find a copy, we promise you've NEVER seen a villain like The Blob!**
- **The Wizard returns to menace The Human Torch in STRANGE TALES #118 — as only Stan can write it and Dick Ayers can draw it! And Dr. Strange finds a genuine mystery to solve in the uncanny case of "The Possessed"! You'll like this ish!**
- **All of a sudden Thor is becoming one of our most talked-about super-heroes! We think it's because of the fact that Stan and Jack are now interpreting him in their inimitable style. Anyway, in JRNY. INTO MYSTERY #101, we guarantee you will find the most memorable Thor epic you've ever read — and we never say that lightly! Also, there's a surprise reappearance of an old villain — don't miss it!**
- **Just when it seemed Iron Man had run out of kookie villains, along comes The Scarecrow! For fantasy with a realy different twist, this one's got it. It's in TALES OF SUSPENSE #51 . . . and we printed about a quarter of a million copies, so you oughtta be able to find one if you look hard enough!**
- **This seems to be "Villains Return Month"! In TALES TO ASTONISH #53, Giant-Man and the (sigh!) wonderful Wasp find themselves threatened again by the man with a million deadly quills — the Porcupine! Slick and sophisticated as ever, Don Heck's style really makes a thriller out of this one!**
- **And now — the biggest surprise of all!! Next issue of F.F. (No, we haven't forgotten the world's greatest comic mag!) will present another epic battle between the fabulous foursome and — hold onto your hats, kiddies — none other than the raging, rampaging human engine of destruction — the incredible HULK! See the Hulk slug it out with the Thing! It's Kirby at his artistic best! And so, till next ish, remember — we're working night and day to bring you the best in story and art — to make you PROUD of the comic magazines you read!**

GIVE ME JUST ONE EVENING and I'LL TEACH YOU TO HYPNOTIZE EASILY!

Hypnotize others quickly, safely---perform any known HYPNOTIC FEAT with EASE! Amaze friends-Exert your Hypnotic Power over others - Be POPULAR and WANTED!

YES, it's true! You can hypnotize anyone so EASILY and quickly you'll be amazed! And it doesn't take special talents or long months of study. The very first day you receive this miracle GUIDE TO HYPNOTISM you'll be able to perform wonders that will astound everyone. It's that SIMPLE.... WHEN YOU KNOW HOW.

Imagine the thrill of being able to EXERT YOUR POWER OVER OTHERS. You'll be the center of attraction at parties or work. You'll be able to make others do your bidding...perform and entertain with feats that have baffled millions for years. And you'll do these wonders with EASE. For, Hypnotism is no longer a secret miracle of science but a POWER anyone can exert over another..when you know how!

SIMPLE SECRETS REVEALED AT LAST

For years the knowledge of how to produce hypnotic sleep has been so well guarded that only a few have mastered this art. But now the veil of secrecy has been lifted and the innermost SECRETS and techniques revealed for the first time. The fact is that Hypnotism is a scientific fact that anyone can learn. Once you know these secrets and methods you can bring about this strange and wonderful control that has only been used by doctors, psychiatrists and entertainers in the past. Yes, now this remarkable phenomena will be yours to use for pleasure, self-development and countless other benefits.

YOU CAN PERFORM ANY HYPNOTIC FEAT!

First, you must understand that what another person does with Hypnotism, you can also do. There isn't anything anyone has ever done with this art that you cannot do! YOU can make people cry, laugh, shout, stop smoking, recall childhood memories, act like an infant, make water taste like vinegar, get folks to sing, dance ...do a 1001 things they would never do when not UNDER YOUR POWER. And the most amazing thing of all is --- HOW EASY IT IS TO DO!

SO EASY TO MASTER!

Here at last is the most perfect, complete and easily-learned course on Hypnotism ever written. In three short, simple chapters you learn the hidden secrets of Hypnotism and how to work this scientific miracle. No long, technical, mumbo-jumbo explanations are given. The entire 25-lesson Guide to Hypnotism is written in plain, SIMPLE language that anyone can understand. After the third lesson you are able to begin performing countless techniques and powers clearly explained in the next 22 lessons. You'll learn how to cure bad habits in yourself and others, how to BUILD PERSONAL MAGNETISM, SLEEP without drugs, use Hypnotism to help STOP PAIN, stop smoking, BUILD WILL POWER, LOSE WEIGHT, IMPROVE YOUR MEMORY and so much more. And you'll learn how to MAKE MONEY with your new power by entertaining at parties, lodges, club meetings, etc. Truly, this knowledge will give you a New SURGE of CONFIDENCE and POWER unlike any you have ever known!

ACT, FEEL AND BE A NEW PERSON!

How often have you wished that you could EXERT a MAGNETIC POWER and INFLUENCE OVER OTHERS? Get people to respond to your every command...win respect, admiration and envy from both men and women! Well, DREAM NO LONGER. It's all possible through the secret, magnetic power of Hypnotism. You'll not only be MASTER OVER OTHERS but also yourself. You can BUILD A STRONG, MAGNETIC PERSONALITY through Self-Hypnotism. You use Mesmerism to READ the MINDS of others and Plant YOUR Thoughts in their minds. You can direct yourself to ACCOMPLISH anything, as easily as you can command others. You have the power to accomplish your innermost dreams.

25 Fact-Packed LESSONS TELL ALL!

Never before has such a Complete and authentic course on Hypnotism been available at such a low price. Doctors and students have PAID hundreds of DOLLARS for personal instruction in Hypnotism, when obtainable. Knowledge such as this can be worth THOUSANDS of DOLLARS to the user over the years. Yet, due to printing economies, large press runs and also by the elimination of correspondence costs, the complete 25-Lesson Guide To HYPNOTISM is yours for only $1.98. Yes, only $1.98 for the COMPLETE COURSE bound in book form. Certainly a tiny investment for so much!

• USE FOR 30 DAYS • WITHOUT OBLIGATION!

PROVE to Yourself that YOU CAN HYPNOTIZE ANYONE! Order the 25-Lesson Guide to Hypnotism today and put it to the test the very next evening. The first three chapters teach you the SECRET of Hypnotism and the 22 chapters that follow introduce you to many new WONDERS of this miraculous art. For the next 30 days as our guest, perform the WONDERS of Hypnotism among your friends, at home and at work. BOYS! MEN!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells —NO EXERCISE AT ALL!

Mike Marvel

Yes! If they LAUGH at you now when you take off your shirt—they'll be amazed —once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

In my classes this same course of Instruction would cost $110.00.

Or is your problem a body sagging with soft rolls of unhealthy, handsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined HERCULES — bursting with dynamic manly strength. I'll give you a taut rock-hard midsection—legs muscled like coil steel springs. I can pack solid DYNAMITE into your fists and give you a rugged handsome build brim-full of the magnetic SUPER-BODY APPEAL. And with NO starvation diets — NO fatiguing calisthenics — NO expensive health-foods!

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with unsightly fat — my secret DYNAFLEX method will cram pep, vigor and red-blooded vitality into your puny, exhausted body. Once DYNAFLEX makes you a two-fisted dynamo of manly beauty, rippling with power, glowing with magnetic appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and rip-roaring energy—for the first time in years!

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It really works —and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!" L. C., New York City

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am building a great physique." E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle! I am telling all my pals about DYNAFLEX." F. S., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do they laugh and grin when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have them gasping with awe and admiration! And with NO tiring exercise. NO high-priced bar-bells or gym equipment!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, hefting heavy weights.

DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny symmetery. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method . . .but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN BODY THAT'S ADMIRED!

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Be a fellow with TWO-FISTED BIG MUSCLE APPEAL . . . they only laugh at skinny guys or "fatso's".

Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and stamina that will help make you popular.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. Yes, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN MUSCLES at the bench or gym. And, when the fellows stare with envy and jealousy—when friends crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!

Your Pal,
MIKE MARVEL

Make $3 to $5 an Hour Starting Soon

Learn Radio-TV, Electronics-Automation by Practicing at Home in Your Spare Time

Be Your Own Boss

If your problem is, "How can I get my hands on more money *fast?*" a proven solution is: start NOW to be a Radio-Television Service Technician. Just as thousands of other men who trained with NRI have done, you can be picking up $3, $4, $5 an hour in spare time starting soon after you enroll. Many NRI-trained men move ahead to full time businesses of their own. Others find good paying jobs with Radio-TV service shops, distributors and dealers. Still others step up to career positions in industrial and military Electronics and in the growing field of Automation where trained technicians are in demand.

NRI Equipment Speeds Up Learning

There is nearly half a century of experience behind the NRI course you take. Nearly fifty years of simplifying and perfecting home-study techniques to make learning faster and easier for men like you. Nearly fifty years of careful development of special training equipment NRI furnishes *at no extra cost* to build in your own home, work experiments and "learn by doing." NRI equipment is designed to make clear the things you read about in illustrated, easy-to-read lesson texts. Thanks to NRI's pioneering home-study techniques, even men who didn't complete high school can successfully launch new careers as Service Technicians. Find out *now* about NRI training, opportunities in Electronics, payment plans. Mail the coupon. NRI TRAINING, Washington 16, D.C.

NRI Has Trained Thousands

EARL GROSS, Hanover, Ont., has spare-time Radio-TV service shop. Does work for four dealers. W. F. KLINE, Cincinnati, Ohio, went from factory laborer to his own business with sales of $158,000 in one year.

F. W. COX, Hollywood, Calif., averaged $150 a month spare time while training, now has his own full time business.

E. DUANE BITNER, Northfield, N.J., works on missiles. He says, "NRI training gave me the biggest boost in my life."
